10. IDENTIFICATION OF COMPETITORS IN TEAM COMPETITION:

In an attempt to enhance identification of junior competitors in team water events at large carnivals (i.e. the 2016 NSW Age State Championships and NSW Country Championships), every water based competitor in team events will need to wear a hi-visibility **pink** numbered singlet. This refers to U8 (*at Country Championships only*), U9, U10, U11, U12, U13 and U14 competitors in Board Relay, Cameron Relays, All Age Board Relay, Wade Relay and any other events that the Competition and Safety Committees see fit. Competitors must have distinguishing numbers on the back (front is optional) of their hi-visibility vests. The first competitor in the team must have the numeral "1" on their vest, the second competitor to have numeral "2", the third competitor to have numeral "3" and so on.

Numbers must be attached to vests by methods such as printing, embossing, or permanent marker etc. Further, the recommended minimum size of the numbers on the back of vests is 150mm x 25mm and clearly visible with black being the preferred colour.

Note: If a club has more than one team entered into the same event each team must still comply with this requirement and also distinguish each team entered in an approved manner.

Example of numeral positioning on hi-visibility garment

It is mandatory for all competitors and their handlers to wear a pink high visibility rash vest during water events. This vest **MUST** be Bright Pink (PMS #16-2130TN 'Knockout Pink'). If the referee deems that the rash vest is too faded/not pink etc. then the competitor/s will be removed from the race until a suitable rash vest has been put on.

Note: Masters competitors are to have their age marked on both arms.

11. GENERAL INFORMATION:

Championships Point Score:

A point score will be kept for the highest overall point score (1st, 2nd and 3rd).

Results:

In the case of a dead heat for positions 1st, 2nd or 3rd each competitor will receive a respective medal. In the case of a dead heat for 1st place, both winning competitors will receive a gold medal and the 3rd place competitor will receive a bronze medal – no Silver medal will be awarded. No Bronze medals will be awarded for a dead heat in 2nd place.

Restriction of Masters Events:

Masters competitors may only compete in their own age group in individual events and in only one age category in each different team event entered.

Note: This section does not preclude a qualified Master competitor from participating in their Masters individual Age Group and also in Open age events. A minimum of one starter is required provided that the competitor/team correctly completes the course. Where Championship events are contested all place getters shall be awarded placing medals (1st, 2nd & 3rd).

Handlers:

Handlers will not be required to be entered into the carnival manager system. It is highly recommended that handlers are current financial members of a SLSNSW club. Those who handle for a competitor that are not financial members of a SLSNSW club will not be covered under the SLSNSW Insurance Policy. Handlers are required to wear a pink high visibility vest (or at the discretion of the referee; may wear a pink high visibility bib/jacket type garment).

Boat Sweeps:

All Surf Boat Sweeps entered in the Country Championships are required to have completed their Development Coach – Surf Boat Award, Sweeps Accreditation Assessment Tool and have been issued with a Sweeps Accreditation Number. SLSNSW will conduct an audit of all the sweeps entered into the carnival for compliance.

12. AMENDMENT OF SURF SPORTS MANUAL:

In order to not limit entry numbers but to still facilitate open participation in the Country Championships, SLSNSW is advising amendment of some conditions to the current edition of the SLSA Surf Sports Manual.

In this regard, dependent upon assessment of factors such as safety, prevailing conditions etc. and entry numbers, the Competition Committee may, particularly in early rounds of the competition permit:

- 1) An increase in the numbers of starters per heat or subsequent rounds.
- 2) The qualifying number of competitors to be less than 50% of the starters in a race.
- 3) Officials to direct competitors not to complete their race, once the number of qualifying athletes has been achieved.

13. SCRUTINEERING

All craft and equipment being used at the Championships will be required to carry a valid Scrutineering Sticker (Black and White). Random scrutineering of craft and equipment will take place throughout the duration of the carnival. Finalists may be required to have their craft scrutineered prior to racing in event finals. Scrutineering at the Championships will incur a fee of \$110.00 (incl. GST) and competitors may experience delays during the scrutineering process. To avoid paying this fee, SLSNSW encourages that all craft is scrutineered prior to the Championships through your Branch.

SLSNSW will not be issuing any media/photography accreditation to team members or Club Management. Professional photographers have been appointed and will have selected shots available for Team Members and Clubs. Club representatives will be allowed to take photographs from outside of the competition area.

No competitor, team manager, official or spokesperson for a club shall make media statements which could bring the 2017 Country Championships, its sponsors, or officials into controversy or disrepute. Masters:

Surf Life Saving events can involve high intensity cardiovascular activities and there is also a risk of high speed collisions and trauma. These activities can occur in surf conditions as well as to compound a potential medical situation.
