

# Bulletin

<b>To:</b>	Lifesaving Services, State/Territory Centres
<b>From:</b>	SLSA Coastal Safety
<b>Summary:</b>	Updated SLSA Gear and Equipment List relating to Circular 32/15-16
<b>Subject:</b>	Gear and Equipment

## Related documents

- SLSA Circular 32/15-16

## Background

Surf Life Saving Australia (SLSA) during the last year has been updated equipment specifications and implementing new accreditation and compliance procedures.

This is to ensure that SLSA retains fit for purpose equipment and provides a modern and professional equipment accreditation and compliance program that delivers both effective and efficient support to SLS members, organisations and manufacturers.

The transition to the new Lifesaving Compliance Program is completed and a new SLS Gear and Equipment List has been developed to reflect this.

The manufacturers/suppliers listed have been through accreditation process with SLSA's accreditation agent SAI Global.

Equipment that has currently been included in the program Inflatable Rescue Boat hulls, Rescue Water Craft, Side by Sides Vehicles, Rescue Boards, Outboard Motors and accessories. Each piece of equipment will be marked with SLSA identification and SAI Global identification.

SLSA Gear and Equipment List can be found in the Members Portal Library ➔ Lifesaving ➔ Equipment.

For further information please contact SLSA [equipment@slsa.asn.au](mailto:equipment@slsa.asn.au) or (02) 9215 8000.
