SAVE THE DATE – SURF CLUB OPEN DAY TO BE HELD 15 OCTOBER 2017

All clubs are urged to take up the opportunity to throw their doors open to the public and promote surf lifesaving within their local community. The Surf Club Open Day is a great way to showcase the amazing efforts undertaken each season by your members in keeping our beaches safe.

The Surf Club Open Day will give you the opportunity to illustrate to the community how they can give, get involved and be safe with Surf Lifesaving. SLSNSW will coordinate the state media activities leading up to the event and will provide branches and clubs with information and resources to ensure that they are supported throughout the process.

For more information on Surf Club Open Day please contact Kate on 02 9471 8020 or khigginbotham@surflifesaving.com.au. More information will be distributed closer to registration date.
