Subject: Member Services Meeting - Youth

Our next Member Services meeting will be held on Thursday 12 October 2017 commencing at 7pm. The focus of this meeting will be our Youth.

If you are over the age of 13 and have an interest in what direction the Branch would like to take in regard to Youth Development and Activities, this is the meeting to come along and have your say.

Looking forward to brain-storming and hearing some exciting ideas from our Youth.

If you have any agenda items, any questions or suggestions, do not hesitate to contact me on memberservices@slsillawarra.com.au or 0407 134 787.
