To support development opportunities for our U14 & U15 athletes, in 2018, SLSNSW will select a team to compete at the Youth Pathway Cup. This exciting new representative event will be contested by U14 & U15 athletes from SLSNSW, SLSQ, SLSWA and LSV. This is an opportunity to represent NSW, strengthening the pathway for our junior athletes and to challenge the best of the Surf Sports athletes in other States.

All successful nominees will be required to attend a team camp from 24 January – 27 January 2018. Accommodation has been booked at the Sydney Academy of Sport, Narrabeen. More information will be provided to successful applicants.

E-Learning:

All successful athletes and team management members will be required to complete both the ASADA Level 1 Anti-Doping and Match Fixing e-learning courses. Both of these courses are free of charge and provide an opportunity to develop a knowledge and understanding of anti-doping and match fixing in sport. Moving forward, SLSNSW strongly believe this is a great additive to the structure of any touring team and/or squad and is vital for elite competition and athlete development.

SLSNSW fully supports the new SLSA Anti-Doping and Match Fixing policies (SLSA Members Portal>Library/Governance/SLSA/Policy 5.1 1 & 5.02). Following the completion of each course, a completion certificate/email must be forwarded to Tim Piper tpiper@surflifesaving.com.au. SLSNSW have organised with SLSA to have these courses uploaded on to SurfGuard as an award. Once completed, the courses do not have to be completed again, unless there is an update in information from the organisations.
