Subject:	UAV Operators required for the 2018 SLSNSW State Championships (Swansea Belmont SLSC)

To ensure the safety of members competing at the 2018 SLSNSW State Championships (Age, Open & Masters), SLSNSW is seeking availability from suitably qualified UAV Operators to implement a roster.

Surf Life Saving NSW is now calling for **expressions of interest from qualified** UAV Operators to further support the safety requirements of the carnival.

To register your availability please use the following 'survey monkey' web link:

<https://www.surveymonkey.com/r/2018StateChampsUAVroster>

You will need to know:

- Your RePL issued by CASA and be able to upload a copy of this certificate.
- Which shifts and days you are available for.

Please complete this survey by **11pm Sunday 18 February, 2018**.

Please note that the UAV shifts are an **additional** volunteer commitment to Club requirements.

More information will be provided at a later time.
