<b>Subject:</b>	Surf Club Open Day - Club Registration

Get Excited! Surf Club Open Day will be held on 15<sup>th</sup> October 2017. All clubs are urged to take up the opportunity to throw their doors open to the public and promote surf lifesaving within their local community. The Surf Club Open Day is a great way to showcase the amazing efforts undertaken each season by your members in keeping our beaches safe.

This also gives your club a huge opportunity to recruit new members, filling one of the dozens of roles available within your club and making them part of the Surf Life Saving family.

Your club can host a range of activities, including lifesaving demonstrations, clubhouse tours, barbecues, displays and rescue scenarios giving the community a genuine feel for the challenges and excitement of surf lifesaving.

SLSNSW has organised amazing promotional giveaways to support your clubs initiatives for this event. SLSNSW coordinates the state media activities leading up to the event and will provide clubs with information and resources to ensure that clubs are supported throughout the process.
