

6. DIRECTORS' REPORTS cont.

- Last weekend I did some passive surveillance from Bulli down to Windang on all clubs I was very impressed with how most clubs conducted their patrols and setup and would like to thank all the patrolling members for their service especially over the past few weeks of hot weather, it certainly has been a trying time.

Surf Sports Meeting 23-01-2018

Apologies: Gina Crick

Clubs Present: Bulli, Wollongong City, Corrimal

1. Development Carnival is at Bellambi on Saturday 27th. I had a meeting with their committee and they are well advanced in their plans for the event.

2. Branch Championships are at Sandon Point for juniors on Saturday February 10th and at Bulli for seniors on February 11th.

I will be meeting with both clubs before the events to discuss any concerns they may have and the layout of the beach and surf areas.

3. A petition was sent to me from a member of Nth Entrance SLSC regarding clubs applying for refunds from events cancelled at last year's state titles.

The general discussion was that it would not be viable and would set a precedent for anyone missing an event to try to get a refund regardless of the reasons they may have.

4. The branch office will contact our media liaison regarding publicity for upcoming events.

5. I am still looking for anyone that may want to take over surf sports in the future to get a feel for the job to come forward and learn the ropes with some experienced people willing to assist anyone interested in the role.

6. Scrutineering will be done for a few hours at each of the branch championships.

If any of the Illawarra clubs have scrutineers available please contact myself ASAP.

7. The purchase of 50 x star pickets and caps for surf sports events was recommended and endorsed by the meeting.

8. The next meeting will be on Tuesday the 13th of February 2018 at 6pm.
