How to Nominate:

1. Read and familiarise yourself with the [SLSNSW Selection Policy](#), especially section 3.3 (c) and [SLSNSW Athlete & Management Agreement](#). Members successful in gaining selection will be required to comply with the guidelines and expectations set out in these documents.
2. All nominees must be current financial members, proficient with their relevant awards, and be endorsed by both club and branch representatives prior to nomination. Endorsement letters must be provided upon submission of online nomination.
3. Complete the [nomination form](#) by **11pm Sunday 13 May 2018**.

It is anticipated that all successful applicants will be notified within two weeks following the close of nominations.

The appointment period will commence from the date of appointment and will expire 28 days after the 2018 Pool Rescue Championships.

All costs (including travel & accommodation) are the responsibility of individuals. Selected nominees may already be attending the Australian Pool Rescue Championships with their club teams.

In the event of an athlete levy being introduced, Team Management will be liable for 50% of the confirmed amount.

Elearning:

All successful athletes and team management members will be required to complete both the [ASADA Level 1 Anti-Doping](#) and [Match Fixing](#) e-learning courses. Both of these courses are free of charge and provide an opportunity to develop a knowledge and understanding of anti-doping and match fixing in sport. Moving forward, SLSNSW strongly believe this is a great additive to the structure of any touring team and/or squad and is vital for elite competition and athlete development.

SLSNSW fully supports the new SLSA Anti-Doping and Match Fixing policies (SLSA Members Portal>Library/Governance/SLSA/Policy 5.01 & 5.02). Following the completion of each course, a completion certificate must be forwarded to Chiara Nowland cnowland@surflifesaving.com.au. These courses will be uploaded on SurfGuard as an award. Once completed, the courses do not have to be completed again, unless there is an update of information from the organisations. If you have previously completed either course, proof must be sent in order to be recognised.
